- * Please do not use Nolan Ave. as a drop-off location.

Pick-up Loop Reminders:

- * Place your student's last name on brightly colored paper in a passenger-side window.
- * Have photo ID ready if you are picking up for the first time.
- * Please do not use Nolan Ave. as a pick-up location.
- * Both lanes of the loop become blocked around 3:00 pm. If you are picking up your student early (between 3:00 - 3:30) - park your car in the lot before coming to the office to sign out your student. Otherwise you will be blocked in until after dismissal.
