

Kenowa Hills Public Schools VALUE. SUPPORT. EMPOWER.

WILLICK'S WEEKLY WRITE-UP

Zinser Elementary | 3949 Leonard NW, Grand Rapids | 616-453-2461

Parking Lot Notes:

- Please consider utilizing our bus transportation option to avoid the busy parent pick-up lot
- Always look to pull up in line and when possible to help with the flow of traffic.
 - ◆ Tell your child(ren) to look for the correct car and be ready. If your child is late to the class sign and you've pulled past it, you can circle around the lot and keep your car moving.
- Thank you for those turning right only! We know it's an inconvenience, but we believe it will help speed up the line and be safer in the long run (We have a couple accidents a year with vehicles turning left)

- Drop off starts at 8:30; children may exit vehicles a few minutes early to get traffic flowing, and must wait by their grade sign until the 8:30 bell.
- We do have two lanes in the parking lot. Please only use the right lane for drop off and pick up, the inside lane is a pass by lane only! Please pass by with caution.

DROP OFF EXPECTATIONS:

- Drop off starts at 8:30 with the day officially starting at 8:35. Kindergarten & K-Knights families please park and walk to the flagpole to have your child line up with their class at the 8:30 bell. The teacher will come out and greet the students and enter the building together.
